Jewel Changi Airport

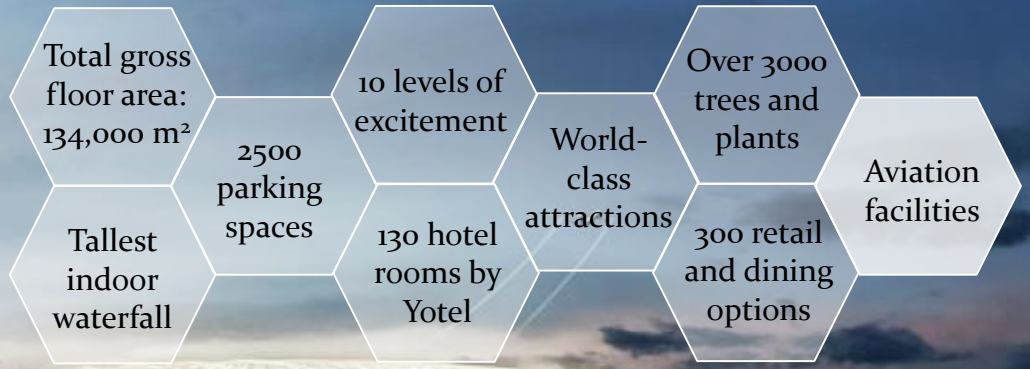
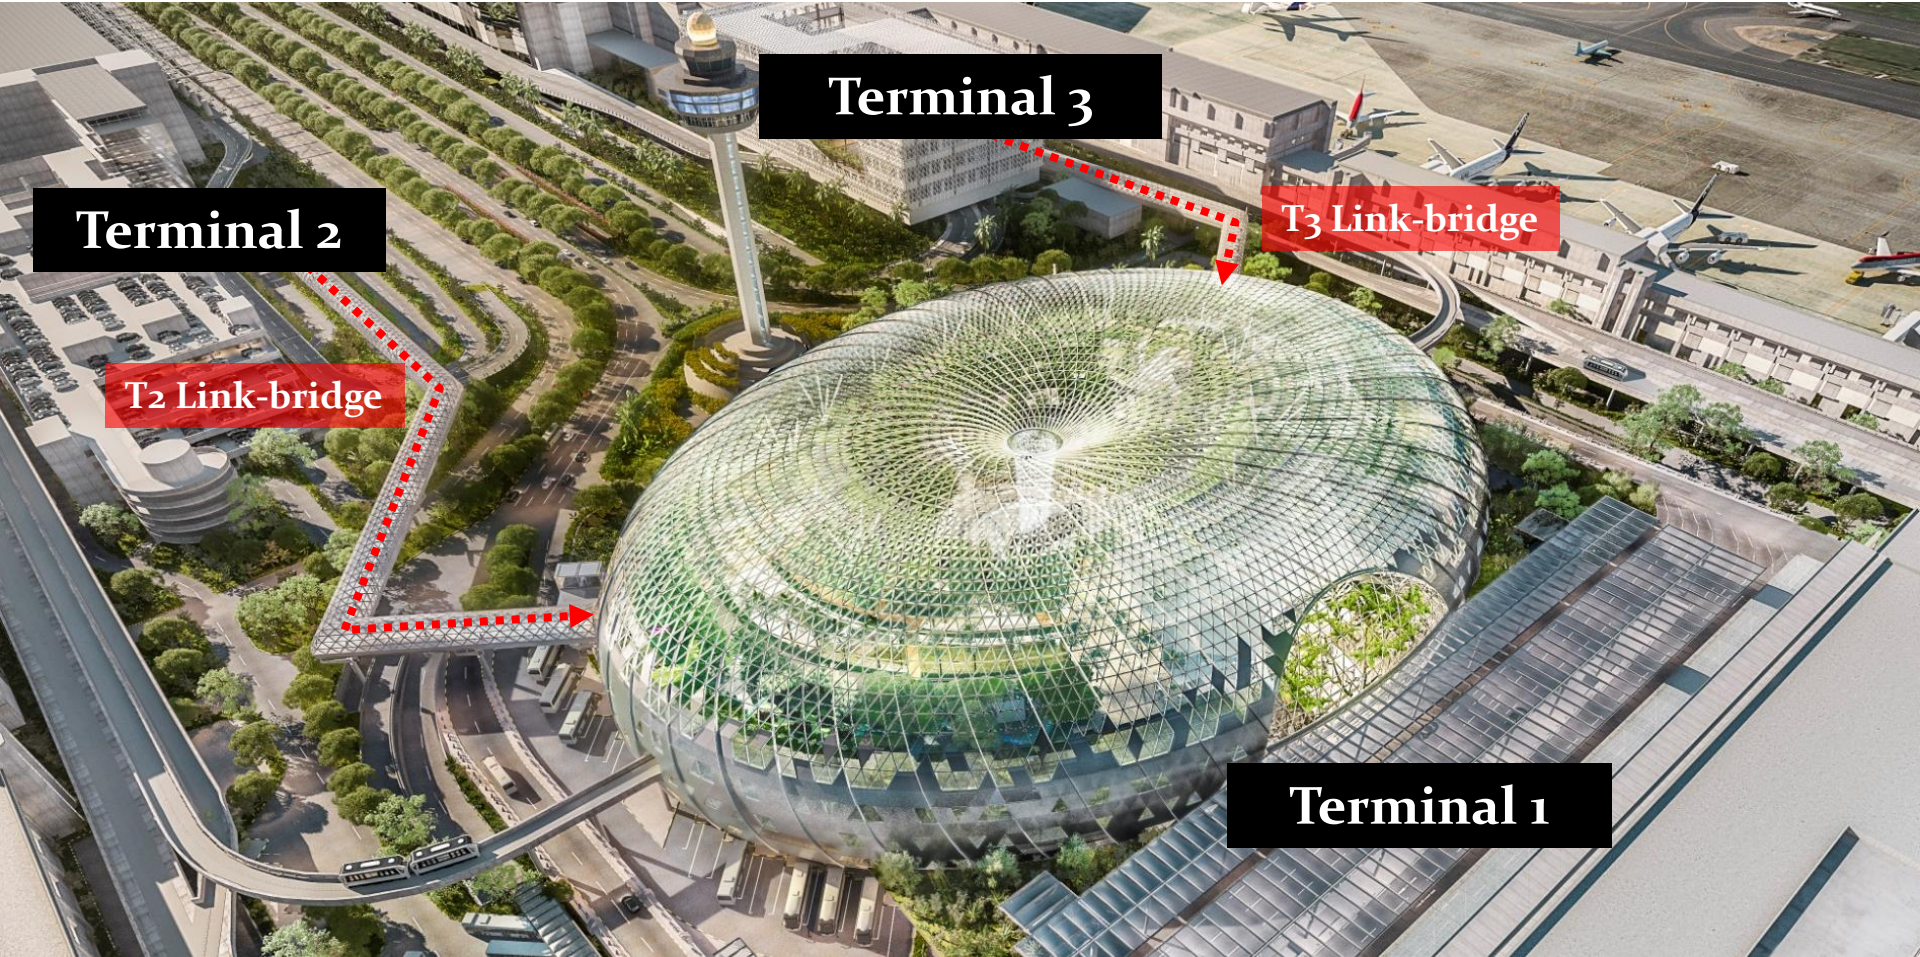
A mixed-use development housing aviation facilities, gardens and attractions, a hotel, retail and dining. The mesmerizing 40-metre Rain Vortex and its surrounding Forest Valley are the result of Jewel's integration of nature with engineering marvels.



Jewel is seamlessly linked to Changi's passenger terminal buildings 1, 2 and 3



Jewel is a 10-storey complex that offers a wide variety of attractions, entertainment, shopping, dining experiences and aviation facilities
